HOW TO USE THE WORKFORCE OUTCOMES DASHBOARD

Explore wages earned by graduates of South Carolina education and training programs, as well as the industries and occupations they enter after completing their programs.

1 SELECT A DEGREE LEVEL

Degree levels represent types of postsecondary credentials, ranging from certificates to doctoral degrees.

2 SELECT A PROGRAM

Programs represent fields of study. Available programs depend on the degree level selected.

3 SELECT A WAGE PERCENTILE

The 50th percentile is the median wage. Users can also view wages at the 25th and 75th percentiles.

4 RESET SELECTIONS

Resets all selections to their defaults.
